

Fairy activity pack

Invent your own fairy and then pretend to be that fairy for the rest of the day. You may want to do a bit of research into fairies. You could do this by watching a film or reading a fairy book. Remember to think about your fairy when doing your research.

1. What did you do to research your fairy?

2. Is your fairy a boy or a girl?

3. How old is your fairy?

4. What is your fairy name? You can combine a few names together.

You can use these words to help you think of your name

Autumn	Firefly	Poppy	Spring
Belle	Flora	Primrose	Stardust
Berry	Indigo	Raincloud	Sunshine
Blossom	Ivy	Rain	Swan song
Blush	Lace	Sage	Sweet
Brave	Lily	Silvermist	Sweetleaf
Breeze	Marigold	Sky	Thistle
Daisy	Meadow	Skydancer	Twig
Dragonwing	Moonbeam	Sorrel	Willow
Eden	Petal	Sprig	Wren

5. What magic can your fairy do?

6. What does your fairy wear?

7. Draw a picture of your fairy.

You could use colouring pencils, paints or you can make up the picture by gluing pasta or little pieces of screwed up tissue onto your paper. You may need an adult to help you get ready with all the things you need for your picture.
